Eastern Fulmont ARC Net Script

JANUARY 02, 2025

Pre-Net (five minutes before net)

This is (Callsign)_____The Eastern Fulmont ARES net will begin in approximately FIVE minutes. Anyone wishing to use this repeater should conclude transmissions by 7:30 PM local time. This is (callsign)_____OUT.

(NET ACTIVATION (At 7:30 PM Local Time)

CQ, CQ, CQ This is (Call Sign)_____, Net Control Operator for the Eastern Fulmont   Amateur Radio Emergency Service Net. My Name is ____ and I am located in _____NY. This net meets on the first and third Thursday evening of each month at 7:30 PM local time. (Pause)   The purpose of this net is to provide training, test repeater coverage, and promote cooperation among our amateur radio community. (Pause)

Any emergency or priority traffic will be handled immediately during this net. I will now break for any emergency traffic------Emergency or time sensitive traffic, please call now. (Pause)
(If no emergency traffic, say "Nothing Heard" and continue.)

If you need to pass emergency traffic at any time during this net please notify Net Control with the words "Priority"or "Emergency" followed by your call sign and your traffic will be handled immediately. This is a directed net. Please do not transmit unless acknowledged by Net Control and direct all   communication through Net Control. Please do not leave the net until you are given permission to secure your station. (Pause)

This net is open to all licensed amateur operators who would like to participate and you do not need to be a member of ARES or the Eastern Fulmont ARC.

Please remember, if this repeater is not operational at the time of the net, we will hold the net on the output of the repeater SIMPLEX (147.990)   (Pause)

At this time I am looking for someone to act as assistant net control. I ask you copy a list of check ins and be prepared for any situations which may arise and be ready to proceed as Net Control. Any station willing to be assistant net control come now.(Pause) Thank you (callsign) _____for volunteering.

When checking in key the mike and say "This is", then briefly unkey, checking to make sure you didn't double with   another station. Then provide your call sign phonetically, your name, your location and whether you have any traffic for the net.

At this time are there any stations with announcements or training.(Pause) " Acknowledge Announcements" and Say "Training will be conducted before the closing of the net". (Go back after check ins and permit the announcements)

This is (callsign)_____ Net Control for the Eastern Fulmont ARC ARES net.
All short time (IN and Outs) come now.
All mobile or portable stations please come now.
All other checkins please come now.
(Read back all checkins after 4 or 5)(Go back and acknowledge announcements)

(If on simplex)   Are there any stations Net Control is not hearing which you will be able to relay in? If so call Net Control now. (Pause) (Acknowledge with relays)

Go to the top of the list, starting with yourself, and give your comments. Next
go down the list calling each station for their comments, letting the next station in line
know they are on standby, or up next.

In closing of the net are there any additional check ins. Come now (Pause).
Are there any final questions or comments for the net?. Come Now. (Pause)

After all additional comments and questions contact your assistant net control and
confirm the total number of checkins. When satisfied with the total you may close
the net.

I will now close this session of the Eastern Fulmont ARES net. Thank you everyone who participated in this evenings net. This is (Callsign)___,closing the net at___pm local time.   This is (Call Sign)_____now returning this repeater to regular amateur use. 73! OUT
